Counter Terrorism Tactics For Patrol

February 6-8 2012, Milwaukee, WI \$465 per person, CEU credits

This 3 day hands-on course consists of urban combat tactics, techniques and procedures for first responders and patrol officers, when dealing with extreme threats from multiple adversaries. This training is focused on first responders, prior to SWAT arriving on scene. Emphasis is placed on quickly neutralizing extreme threats from terrorists, lone wolf actors and criminal gangs, who pose a serious threat to citizens. Fundamental skills of urban combat are taught to quickly organize and neutralize threats, deploy police units as functional tactical teams capable of fire and maneuver, and able to neutralize extreme threats and protect human life. This is not your average active shooter training course! This is Urban Combat Tactics for Patrol Officers. Class size is limited to 24, LE or Military only. Additional training location(s) at Ft. McCoy, WI. Topics include:

- Communication and Control in Urban Environments
 - Urban Movement, Contact and Defense
 - Mechanical Breaching
 - Obstacle Negotiation & Danger Areas
 - Civilian & Officer Rescue Drills
 - Improvised Explosives Awareness
- Organizing & Deploying Advanced Contact Teams
 - Building Entry and Clearing Techniques
 - Close Quarter Battle Skills
- Immediate Action Response Drills for Multiple Threats
 - Planning, Leadership and Communication
- Threat Assessments, Current Aggression Trends and Equipment Selection
